# REAL RETURN ON INVESTMENT

From the integration of new technology to the need for repairs, the OR is under constant pressure to remain open for business. With mfPHD's wall system, renovations are done off-hours, and the system is far more hygienic than the standard OR. The numbers speak for themselves.

**35 ORs**  
**(\$4.2 Million Investment)**

**\$10.49M\***  
**Return**

**5-Year Net Present Value**

**25 ORs**  
**(\$3.0 Million Investment)**

**\$7.49M\***  
**Return**

**Infection Control**

**50%\*\***

**Less Bacteria**

\*Assumes saving 5 days per room over 5 years for renovations, with \$100,000/day revenue and a 2% inflation rate.

\*\*3<sup>rd</sup> party testing revealed standard room total colony count of 114 / mfPHD room of 58.
